### PHOTOGRAPHS

Crop 2 photos to measure 10cm x 15cm (P)

Out of the light cardstock cut 2 pieces to  
measure 10.5cm x 15.5cm and ink the edges.

Out of the dark cardstock cut 2 pieces to  
measure 11cm x 16cm and ink the edges  
Ink the edges and then mat the photo onto the light  
then onto the dark

Attach these to the right of the page approx 8.5cm  
from the bottom

Out of the dark cardstock cut 1 piece to  
measure 9cm x 11cm and ink the edges

then onto the dark

Before I added the flowers I added the 30.5cm x 1 cm  
border to the left side of the page and the left over  
10cm x 1cm border to the right.. I placed mine flush against  
the bottom of the pattern 2 strip.

I also cut another 2 pieces of the dark plain  
1 @ 20cm x 0.5cm and 18cm x 0.5cm and added the  
border at the bottom of pattern 3 on the left and right  
(this is optional - see if your page needs the extra border)

I used a variety of paper flowers and leaves for  
embellishments. I added in different size flat backed pearls  
to fill in any gaps.

I used words out of the Tim Holtz Big Chat sticker book to  
create the title BE YOUR BEAUTIFUL SELF.

Use the example as a guide to lay the embellishments  
and photographs out as in the example.

Once happy with your composition take a photograph and  
use that as reference to attach everything in place.

I used a white and a black gel pen to draw lines around  
the patterns and borders - this is an optional  
extra.
